PRO-LOK® products are a result of the collaboration of musicians, music distributors and dealer ideas and suggestions for a brand that possesses the quality of traditional brands but at a much more affordable price.

Quality was the first object and then with volume orders and engineering expertise PRO-LOK® products were designed to be the most affordable high quality possible while lowering prices without sacrificing the quality users expect and demand.

All product are made to be durable and hold up to years of rugged use in transport and daily handling.

That is why PRO-LOK® is THE SOLID SOLUTION.
